

Environmental Policy Statement 2022

BF Engineering Service Ltd (BFES) recognises the potential impact it may have on the environment because of its activities and as a business. The company seeks to establish a balance between the need to act commercially and its commitment to the environment. It is the company's policy to protect the environment and minimise the effects of pollution.

It is our intent to operate in compliance with all relevant environmental legislation and will strive to adopt pollution prevention and environmental best practices in relation to the company's activities.

The company objectives are to:

- Identify the environmental aspects of its activities and services that it can control and those that it can influence along with the associated environmental impacts.
- Determine risks and opportunities related to its environmental aspects and compliance obligations.
- Promote the efficient use of materials and resources throughout our workplace.
- Minimise pollutants, emissions and waste to the lowest practicable level through re-use and recycling.
- Train, educate and inform our employees about environmental issues that may affect their work activities.
- Develop and maintain appropriate emergency and spill response programmes.
- Increase efficiency in use of natural resources.
- Set objectives and annual targets for all significant environmental aspects.
- Take appropriate actions to achieve these targets.
- Continuously monitor and improve our environmental performance against these targets.
- Periodically review this environmental policy taking consideration of our current and planned future activities.
- Encourage internal and external communication with interested parties (clients, customers and the public) to adopt its environmental principles.
- Co-operate and maintain good relations with all external regulatory bodies.

This policy statement will be displayed prominently at all sites and communicated to interested parties. All employees will receive training on their environmental responsibilities and be informed of any updates.
